KDOL Work Comp Launches New Legal Research Tool

TOPEKA, Kan. – The Kansas Department of Labor (KDOL) has launched a new page on the KDOL Workers Compensation webpage called [Recent Board Decisions](#). This new page will aid attorneys, insurers, employers and others to quickly find those decisions that have been recently handed down.

“The *Recent Board Decisions* page mirrors the one on the Kansas Supreme Court and Kansas Court of Appeals Opinions site,” said Larry Karns, Director of Workers Compensation. “Coupled with the existing keyword search engine *Searching and Accessing Board Decisions*, KDOL now has two powerful legal research tools.”

[Recent Board Decisions](#) will be updated on a monthly basis with the last three months of published Board decisions. The link to each decision will contain not just the docket number, but also the claimant and respondent names to aid research efforts.

For more information about this page contact Larry Karns at 296-4000, Ext. 2156.
