IN THE MATTER OF CASE UE 24-1973 - PETITION OF KANSAS ASSOCIATION OF PUBLIC EMPLOYEES (KAPE) FOR UNIT DETERMINATION & CERTIFICATION OF CERTAIN ROAD & BRIDGE MAINTENANCE & REPAIR EMPLOYEES OF NORTON COUNTY AND OF CERTAIN CLERICAL EMPLOYEES IN THE NORTON COUNTY COURTHOUSE

O R D E R

The above entitled matter came before the Board on November 5, 1973 for determination of the appropriate units. The Board finds that on May 24, 1973 KAPE filed a petition purporting to be for unit determination and certification of two units: (1) All highway road and bridge and maintenance and repair employees of Norton County; and (2) All clerical employees employed by Norton County in the Norton County Courthouse. Further by order of this Board on May 25, 1973, the public employer (Norton County Commissioners) had until June 4, 1973 to object to said petition or allegations of said petition would be deemed admitted. On July 5, 1973 the Board requested a copy of the Resolution of Norton County to come under the provisions of the Public Employer-Employee Relations Act and on November 5, 1973 said Resolution was received by the Board. The Board further finds that no objections have been filed, that the time in which to file such objections has expired, and that the units herein should be determined as set forth in the petition.

It is therefore ordered that the appropriate units in this matter before this Board shall be as follows:
