

HOW TO BECOME A QUALIFIED REHABILITATION PROFESSIONAL

K-WC-R 93-12 (11-16)

You have expressed an interest in becoming a Qualified Rehabilitation Professional (QRP). This qualification will allow you to accept vocational rehabilitation referrals from insurance carriers, employers and attorneys under the Kansas Workers Compensation Act and associated regulations.

To apply:

- Read the attached materials completely.
- Complete the application.
- Provide transcripts of all college, graduate and/or Ph.D. courses. Legible copies of transcripts are accepted.
- Provide a résumé detailing work experience required for each discipline for which you wish to be qualified. If you have not earned a master's in Rehabilitation Counseling, please address how your educational and work experience meet the requirements under K.A.R. 51-24-5.
- Submit your application, transcripts and résumé to:

Kansas Division of Workers Compensation
Rehabilitation Administrator
401 SW Topeka Blvd., Suite 2
Topeka, KS 66603-3105
Fax: (785) 296-0839
