INTERNATIONAL ASSOCIATION
OF FIRE FIGHTERS,
LOCAL 135,

v.

CITY OF WICHITA, KANSAS

Respondent.

Petition for Unit Amendment
PERB Case No. 75-UCA-2-1996

Pursuant to K.S.A. 75-4321 et seq.
and K.S.A. 77-501 et seq.

FINAL ORDER

Pursuant to K.S.A. 77-527

NOW ON THIS 20th day of November, 1996 this case comes before the Public Employee Relations Board (PERB) to review the presiding officer's Initial Order.

History of the Case

This case arose when the Petitioner IAFF Local 135 filed a Petition for Unit Amendment. Petitioner asked PERB to amend the existing bargaining unit of Fire Fighters and Fire Lieutenants to add the rank of Fire Captain. The Respondent City of Wichita filed an Answer opposing the petition, and a presiding officer was appointed to decide the matter.

The presiding office conducted an evidentiary hearing on March 20, 1996, received briefs from the parties, and issued an Initial Order on July 19, 1996. The Initial Order was mailed to the parties on July 31, 1996.

On August 15, 1996 the Respondent City of Wichita filed a timely petition with the PERB Board, requesting a review of the Initial Order. That request was orally

75-UCA-2-1996-F

granted by the Board during its regular meeting of August 21, 1996.

Thereafter, on August 23, 1996, the Board's executive director issued an Order Granting Review, which included a schedule for responsive briefs and oral argument. In accordance with the scheduling order, the City of Wichita filed its brief on September 25, 1996 and the IAFF Local 135 filed its brief on October 25, 1996. The case then came before the PERB Board for oral argument on November 20, 1996.

Immediately after the oral argument, the Board deliberated the matter in executive session, and returned to its open public meeting to vote on the matter.

Questions to be Determined

1. Whether Fire Captains are "supervisory employees" as defined in K.S.A. 75-4322(b), who cannot lawfully be included in any bargaining unit.
2. If Fire Captains are not "supervisory employees", whether it would be appropriate under the facts of this case to add the rank of Fire Captain to the existing unit of Fire Fighters and Fire Lieutenants.

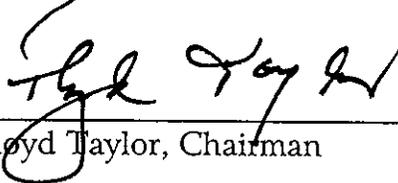

Findings of Fact and Conclusions of Law

Having reviewed the Initial Order, the Petition for Review, and the briefs filed by both parties; having considered the oral arguments of the parties; having considered the advice of counsel; and having fully deliberated the matter, the Board finds, by a majority vote, that the presiding officer has fully and fairly considered the matter in all

particulars, and has correctly concluded that the existing bargaining unit can and should be amended as requested. The Board therefore adopts the presiding officer's Initial Order without modification, as the Board's Final Order in this case.

IT IS SO ORDERED this 18th day of December, 1996.
