RE: Petition for Certification of certain  
Non-Professional Employees of Topeka  
State Hospital

O R D E R

It having been determined the appropriate unit in the above case is as set forth in the Board's Order on State-Wide Units dated May 16, 1974, and a thirty percent showing of interest has been received from Kansas Association of Public Employees (KAPE) and National Association of Government Employees (NAGE), this Board orders that an election be held on September 12, 1974 as shown on the attached sheets.

This election will be held for the purpose of determining whether the aforesaid employees want to be represented by: KANSAS ASSOCIATION OF PUBLIC EMPLOYEES (KAPE); NATIONAL ASSOCIATION OF GOVERNMENT EMPLOYEES (NAGE); or NO REPRESENTATION.

We will need assistance from the employer and employee organizations on the date of the election to provide identification of each eligible employee voting so that their names can be checked off the eligible employee voters list.

Board rule 84-2-12 allows for observers. The Board allows the employer one observer at each poll and each public employee organization one observer at each poll.
