KDOL Honors Dana Kendrick for Meritorious Service

TOPEKA, Kan. - The Kansas Department of Labor (KDOL) is proud to announce the winner of its Employee Recognition and Award Program, **Dana Kendrick**, Special Investigator, BAM Unit, who was honored as the July Employee of the Month for Meritorious Service. The KDOL Award Program is designed to recognize individual efforts that epitomize excellence. Success as an agency depends on each and every employee providing premier service, working in a team environment, producing results with cost control in mind, creativity and innovation, while serving their community. KDOL rewards employees who embrace these ideals as their own, taking them to the highest personal level possible in job performance.

Kendrick came to KDOL less than a year ago from the Missouri Department of Labor and has quickly learned the Kansas unemployment laws and regulations which assist her in conducting thorough and complete BAM audits. She has consistently taken the initiative to learn the duties of the job and routinely takes on additional tasks without hesitation. When there were staff changes within the unit, Kendrick was willing to take on extra cases in order to allow her co-workers to avoid the increased workloads. In addition to her daily duties, she is also the backup for assigning cases when the BAM supervisor is out of the office.

Kendrick consistently goes above and beyond expectations and leads the unit in timeliness of case completion. She is dedicated to the job, is always willing to help her fellow workers and takes an interest in other divisions of the agency. Her skills and knowledge are assets and it is appropriate that she be recognized for her outstanding service to KDOL and to the people of Kansas.

For more information about KDOL go to www.dol.ks.gov.

###

The Kansas Department of Labor assists in the prevention of economic insecurity through unemployment insurance and workers compensation, by providing a fair and efficient venue to exercise employer and employee rights, and by helping employers promote a safe work environment for their employees. This facilitates compliance with labor laws while enabling advancement of the economic well-being of the citizens of Kansas.
