The owner of an amusement ride shall notify the department of any **serious injury** reported by a patron, **or any injury** caused by a malfunction or failure of an amusement ride or caused by an operator or patron error. Such notification shall be submitted to the department within 72 hours of the time that the operator becomes aware of the injury. In the event the injury has resulted in a fatality, both submission of this form and a phone call are required. Call (785) 296-4386 - 24 hours a day. **This requirement applies to injuries to patrons, employees and any other person.**

If a serious injury occurs, the equipment or conditions that caused the injury shall be preserved for the purpose of an investigation by the department and such amusement ride shall be immediately removed from service until an investigation is completed or deemed unnecessary by the secretary. Except as provided in subsection (d), if investigation of a serious injury is not commenced within 24 hours after the department receives notification of such injury, then an investigation shall be deemed unnecessary.

If the serious injury results in a death, the owner shall notify the department of the injury as soon as possible. Such notification shall be by telephone initially with a written notification sent within 24 hours after the initial notice. If the death is related to a major malfunction of the amusement ride, an investigation shall be required and the department shall commence such investigation within 24 hours after receiving initial notice of the injury. No part of the amusement ride or the ride itself, shall be moved or repaired without the written approval of the secretary, or the secretary's designee, except that nothing shall be construed so as to hinder emergency response personnel from performing their duties, or to prevent the elimination of an obvious safety hazard. The owner shall provide the department with complete access to the amusement ride and all related premises for the purposes of the investigation and shall provide all information related to the cause of the injury to the department.

"Serious injury" means an injury that results in:

- (1) Death, dismemberment, significant disfigurement or permanent loss of the use of a body organ, member, function or system;
- (2) A compound fracture; or
- (3) Other injury or illness that requires immediate admission and overnight hospitalization and observation by a licensed physician.
