KDOL Honors Laurie Kitt for Distinguished Accomplishments

TOPEKA, Kan. - The Kansas Department of Labor (KDOL) is proud to announce the winner of its August Employee Recognition and Award Program, Laurie Kitt, Human Resource Specialist, who was honored for Distinguished Accomplishments. The KDOL Award Program is designed to recognize individual efforts that epitomize excellence. The success as an agency depends on each and every employee providing premier service, working in a team environment, producing results with cost control in mind, creativity and innovation, while serving their community. KDOL rewards employees who embrace these ideals as their own, taking them to the highest personal level possible in job performance.

Kitt is being honored for her efforts in coordinating and notifying KDOL employees about pay increases implemented by the legislators. She answered questions from concerned staff members regarding whether they would receive an increase, and then explained how the percentage of increase was determined in ways that staff members could understand.

Kitt made sure that each staff member received a letter notifying them of the increase, which is something not every agency chose to do. This step made what could have been a very difficult situation go smoothly for staff and management alike. It is appropriate that she be recognized for her hard work, perseverance and dedication.
