Case No: 75-CAE-I-2002
Case No: 75-CAE-2-2002

FINAL ORDER
(K.S.A. 77-526 and 77-527)

NOW on this 17th day of September 2003, the petitioners' appeal of the presiding
officer's August 25, 2003, Initial Order that dismisses the above captioned cases came
before the Public Employee Relations Board.

The Public Employee Relations Board declares the petitioners' request for review,
or appeal is untimely. On Monday, September 15, 2003, the board received petitioners'
written request for review. The order became final at 5:00 PM on Friday, September 12,
2003.

75-CAE-I-2002
75-CAE-2-2002
The Kansas Administrative Procedures Act (K.S.A. 77-501 et seq.), or KAPA, sets forth the procedures by which these cases were heard and ruled upon. See K.S.A. 77-527 and 77-531.

Pursuant to K.S.A. 77-527, petitioners' written appeal had to be received by the board within fifteen (15) days after the service of the order. (An additional three (3) days are added to the fifteen (15) day period, for a total of eighteen (18) days, to take into account possible delays during the mailing of the written appeal. K.S.A. 77-531.)

Under 77-531, the period during which the petitioners were required to file an appeal began to run on the day service of the order was complete, that is, when it was placed in the mail on Monday, August 25, 2003. Consequently, for the petitioners' appeal to be timely it had to be received by the board no later than 5:00 PM on Friday, September 12, 2003, or eighteen (18) days from Monday, August 25, 2003.

Because the initial order became final by operation of law, KAPA does not require the board to discuss the merits of petitioners' argument. However, the board did review the order and agreed that the initial order is supported by substantial competent evidence, and is a correct interpretation and application of the law.

Journalized this 5th day of November, 2003.
