SUBJECT: 72-UCA-1-1987

I am in receipt of a letter dated May 22, 1987 from Mr. Highfill in behalf of U.S.D. 350, St. John-Hudson.

Mr. Highfill's letter indicates that an agreement has been reached between the parties regarding the inclusion of the school nurse within the bargaining unit of U.S.D. 350.

From a technical standpoint, our records will be amended to reflect the inclusion of the school nurse effective July 1, 1987. From a personal standpoint, I applaud the approach taken by both parties in the resolution of this matter and congratulate you on your success.

I appreciate all the courtesies extended to me during my visit to St. John and if I may ever be of assistance to you in the future I hope you will feel free to contact me.

Again, my congratulations on a win-win resolution to this matter.
