System Disruptions

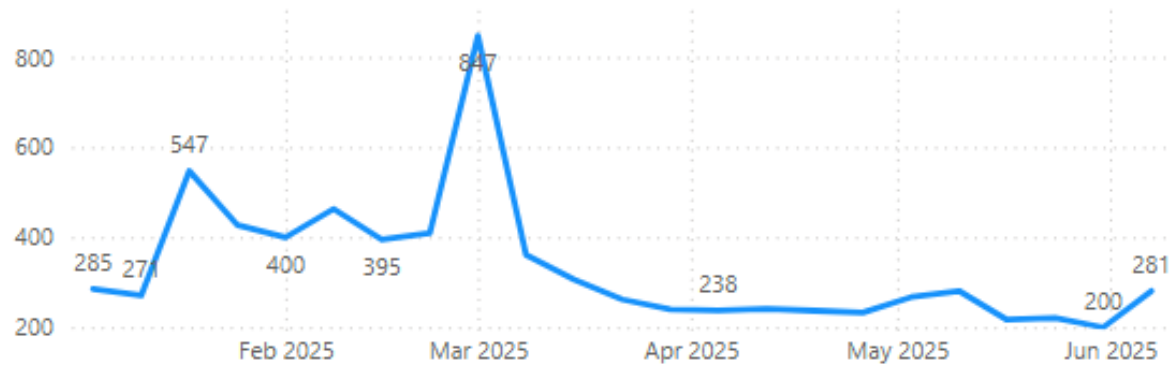

- On May 28, KDOL reconfigured a portion of our security system for our claimant-facing KansasUI.gov website. However, on May 29, we received reports that claimants were unable to create new UI accounts. In response, we rolled back the modification.
- On June 8, OITS completed a firewall upgrade. At the start of business on June 9, the agency began experiencing extensive network and connectivity issues negatively impacting daily operations and processes. On June 11, OTIS made a change to the firewall and around 3:40pm the agency issues were stabilized.

Other

- On June 10, Secretary Shultz was at the Capitol and presented on Interagency Cooperation & Agency Efficiency and our UI System for the Senate Commission of Government Efficiency.
- Federal Claims Processing Between March 9 and April 26, we processed 56 federal employee unemployment claims.
- Programming for the Implementation Plan: SB125 Proviso – Amendment to K.S.A. 44-703 is in progress to be effective July 1.
- For new claims filed on or after July 1, 2025, but prior to July 1, 2026, the limits of the Kansas weekly benefit amount will be a maximum of \$637.00 and a minimum of \$159.00.
- For calendar year 2026, the Kansas taxable wage base for employers will be CY 2026 Taxable Wage Base of \$15,100.
- Government Affairs Director, Julie Menghini, is retiring on June 30. Deputy Secretary, Amy Selm, will be the interim in the transition period.
